Day 8 Full day tour of Phillip Island Penguin, Brighton Bridge, Moonlit Sanctuary

Departing Melbourne at around midday, we journey to the city's most colorful attraction, the iconic Brighton Beach bathing boxes – for an opportunity to visit the beach and take sometime to admire these historic landmarks.

We continue our journey through Melbourne's bayside suburbs on the way to Moonlit Sanctuary Wildlife Conservation Park.

Here we enjoy a guided wildlife walk where we have the opportunity to meet and hand-feed many species of native Australian animals. Learn about iconic species such as Kangaroo's, Koala's, Emu's and Wallabies, as well as some of their lesser-known favorites, including Quoll's, Owl's, Bandicoot's and Tasmanian devils. Included in our visit here is the spectacular “Conservation in Action” wild show, which showcases several lesser-known species in a series of interactive and engaging ranger presentations.

Continuing to Phillip Island, a visit to Point Grant and the Nobbies gives us a opportunity to enjoy views over Westernport Bay and Bass Strait, including Sea Rocks; home to Australia's largest population of fur seals.

And then it's onwards to the main event, the Phillip Island Penguin tour. Just after dark every night, the world's smallest penguin's waddle ashore after spending the day fishing out at sea.

You will be truly enchanted as the stars of the show emerge from the surf and pass right before your eyes on their journey back to their homes.

Your Guide will ensure you get the very best vantage point to enjoy the Penguin Parade.

After the parade, we allow plenty of time to explore the visitor center before beginning our own journey back to Melbourne. With drop off right back to your inner city accommodation, you will remember this day as a true highlight of your Australian holiday.
